QUESTIONNAIRE:

1. How did you find out about the Natural Touch Therapy Institute?
2. Have you discussed your plans to attend this Institute with your family? Are they supportive?
3. Does work, family or recreation conflict with your ability to attend classes?
4. Describe your job history in the past five years. This should include any volunteer activities.

5. Are you able to commit an average of two hours per day (in addition to class time) to complete the required course material and projects?
6. Are you aware there are written quizzes, exams and case studies as part of the course?
7. What are your goals as a graduate of the Natural Touch Therapy Institute?
8. What are your personal interests?
9. How would your family/friends describe your personality, principles and values?
10. Describe situations where you have interacted with people not your own age. (Eg: seniors, young children, mature adults)
11. Describe situations where you have interacted in a group environment. (Eg: school sports team, volunteer programs, work situation) Please describe what your role was in each group.
12. Describe a situation where there has been conflict with another person or group and how you have handled it.
13. If a group of your friends started complaining about a farrier, veterinarian or other professional, what would be your thoughts or response?
14. Describe a situation where you have had to manage your time and how you have accomplished this.
15. What experience have you had in dealing with the public?
16. List any clinics/seminars you have attended.
17. Have you (or your horse) been exposed to any complementary health care practitioners?
18. Describe any contact with energy techniques such as Reiki, Applied Kinesiology, Acupuncture, Healing Touch, Shiatsu, etc.
19. Do you have an open mind with regard to learning energy techniques?
20. Describe any involvement with Veterinarians. This could also include any volunteer situations.
21. Have you had an opportunity to spend time with a student or graduate of BC College of Equine Therapy or another program? (If yes, please provide name(s))

22. Are you aware that this is a leading edge industry and as of yet do not have government recognition?
23. Are you aware that energy work and Applied Kinesiology (muscle testing) is and integral part of this program? (If accepted into this program you will be expected to use these techniques as part of your therapy tools.)
24. Please explain what level of understanding or experience you have in regards to Applied Kinesiology and give an example if applicable.
25. Are there any subjects in our course outline that require clarification? (Eg: anatomy, physiology, pathology, etc.) (Please see complete list of subjects on our website www.natural-touch.ca)
26. Please explain in what context you have worked with horses giving us a clear understanding of your experience dealing with them. If you haven't much experience, don't hesitate to tell us this also.

Thank you for your interest in the Natural Touch Therapy Institute!
